

Here Comes Mary

The Raveonettes

1. Here comes Mary
All dressed in black
Her heart so heavy
A love attack
Her dying cigarette
in the rain

2. The gangs are out
And here comes Mary
They rave and shout
Her love to bury
Her dying cigarette
in the rain

Go home and cry to your mama tonight
Go home and bury your love tonight

3. Young love dead
Lost forever
Young love dead
Lost forever
A dying cigarette
in the rain

4. A shiny gun
to her head
And here comes Mary
Forever dead
A wet cigarette
in the rain

Went home and cried to your mama tonight
Went home and buried your love tonight

Went home and cried to my mama tonight
Went down and killed herself tonight
