## **Here Comes Mary**

## The Raveonettes

- 1. Here comes Mary
  All dressed in black
  Her heart so heavy
  A love attack
  Her dying cigarette
  in the rain
- 2. The gangs are out
  And here comes Mary
  They rave and shout
  Her love to bury
  Her dying cigarette
  in the rain

Go home and cry to your mama tonight Go home and bury your love tonight

- 3. Young love dead
  Lost forever
  Young love dead
  Lost forever
  A dying cigarette
  in the rain
- 4. A shiny gun
  to her head
  And here comes Mary
  Forever dead
  A wet cigarette
  in the rain

Went home and cried to your mama tonight Went home and buried your love tonight

Went home and cried to my mama tonight Went down and killed herself tonight
