

Honey, I Never Had You

The Raveonettes

Honey, it never could suffice
So sad to see it in your eyes

Honey, I never had you
Honey, I never had
Honey, I never had you
Honey, I never had
Never had

Honey, you vanished every time
I ask if you were truly mine

Honey, I never had you
Honey, I never had
Honey, I never had you
Honey, I never had
Never had

Honey, confess to all your sins
I'll rid you off, dying deep within

Honey, I never had you
Honey, I never had
Honey, I never had you
Honey, I never had
Never had

Honey, I never had you
Honey, I never had
Never had
