

# Last Dance

The Raveonettes

1. Your lipstick  
Smear'd beside  
I adore you  
I always have  
And everytime you overdose  
I rush to intensive care  
Another said I stare  
Before you disappear

R: If this is the last dance, this is the last dance  
Then, save it for me baby  
If this is the last dance, this is the last dance  
Then, save it for me baby  
Ooh, ooh  
Then save it for me baby  
Ooh, ooh  
Then, save it for me baby

2. Your addiction  
And you are in love  
Not starcrossed  
I wait my turn  
And everytime you overdoes  
I rush to Intensive Care  
Another said I stare  
Before you disappear

R: If this is the last dance...
