

Little Animal

The Raveonettes

My Girl Is A Little Animal
She Always Wants To Fuck
I Can't Find A Reason Why
I Guess It's Just My Luck

So At Night When She's Sound Asleep
I Head Out In The Rain To Meet

All The Things She Never Gave
To Me When I Was Down
All The Things I Had To Find
With Strangers In Strange Towns

But At Night When She's Curled Up Next To Me
I Head Out For The Devil To Meet
