

## Little Animal

The Raveonettes

My Girl Is A Little Animal  
She Always Wants To Fuck  
I Can't Find A Reason Why  
I Guess It's Just My Luck

So At Night When She's Sound Asleep  
I Head Out In The Rain To Meet

All The Things She Never Gave  
To Me When I Was Down  
All The Things I Had To Find  
With Strangers In Strange Towns

But At Night When She's Curled Up Next To Me  
I Head Out For The Devil To Meet
