

The Christmas Song

The Raveonettes

All the lights are coming on now
How I wish that it would snow now
I don't feel like going home now
I wish that I could stay

All the trees are on display now
And it's cold now
I don't feel like going home now
I wish that I could stay

I wish that I could walk
I wish that I could walk you home

All the lights are coming on now
How I wish that it would snow now
I don't feel like going home now
I wish that I could stay

Santa's coming to town
With his suitcase in his hands
Santa's coming to town
With his suitcase in his hands
