

The Truth About Johnny

The Raveonettes

Johnny Where You Been
Johnny Where You Been

Can't Say The Night Was Long
And Girls Were Out Oh Fun
That's When I Caught A Glimpse Of You
Across The Street Black Leather Boots

That's When I Learned
With Cigarette In Mouth
Dating Prostitutes
Was Alright Now
That's When I Came
To Realize
I've Been Dead For So Long
What A Surprise

Johnny
