## The Ready Set

Stuck in a limbo (here we go)  
Me and my sins go (toe-to-toe oh oh oh)  
I played a vicious part (whoa)  
I broke an unfair share of hearts  
I'm about to blow  
So if you come around then you should know

I'll tear you up in two  
Go ahead walk it off if you know what's best for you  
Oh-oh-oh-oh-oh oh oh

I'm no good for you (no)  
This heart ain't built for two, so  
Runaway, runaway  
Cuz I'm no, I'm no, I'm no good for you  
I'm no good for you (no)

Get in love then I'll be you lose, so  
Runaway, runaway  
Cuz I'm no, I'm no, I'm no good for you  
Imma, imma, imma love killer  
Imma, imma, imma love killer  
Imma, imma, imma killer

Lower than real low (here we go)  
Take your heart like a repo (no-no-no-oh-oh)  
You dug yourself into (whoa)  
A pretty mess that I made for you  
I'm about to show  
For the time you're gonna lose  
By the time I go-oh-oh

I'll tear you up in two  
Go ahead walk it off if you know whats best for you.  
Oh-oh-oh-oh-oh oh oh

I'm no good for you (no)  
This heart ain't built for two so  
Runaway, Runaway  
Cuz I'm no, I'm no, I'm no good for you.  
I'm no good for you (no)  
Get in love and I'll bet you lose so,  
Runaway, Runaway  
Cuz I'm no, I'm no, I'm no good for you.  
Imma imma imma love killer  
Imma imma imma love killer  
Imma imma imma killer

Bootleg emotions  
Bottled up explosions  
Intoxicating you  
Learning of the truth  
I'm your sentencing  
Exiting through your skin  
Intoxicating you  
Ninety seven proof

I'm no good for you (no)  
This heart ain't built for two so  
Runaway, Runaway  
Cuz I'm no, I'm no, I'm no good for you.  
I'm no good for you (no)  
Get in love and I'll bet you lose so,  
Runaway, Runaway  
Cuz I'm no, I'm no, I'm no good for you.  
Imma imma imma love killer  
Imma imma imma love killer  
Imma imma imma killer
