

# More Than Alive

## The Ready Set

I don't want to slow, slow, slow, slow down, down  
Hey hey hey  
Slow down slow down  
Hey hey hey

You go for seconds and days  
I live for moments to say  
That I may never get a second chance  
Don't throw it away  
Living for dollars and dimes  
They'll all diminish in time  
Let that motion come crashin like a plane from the sky  
It was a long ride down the east coast  
In a city you can't keep  
Could you keep up on your feet  
And I was struck down by the west coast  
It was a quarter to three but it don't do sleep

But follow the freeway  
Break the routine  
'Cause everything is second to your dreams  
This is the green light  
Take what you need  
And break out of this hospital scene  
I'm running through a stop sign  
Cuttin' out the brake lights  
I don't want to slow slow slow slow down down  
I'm running through a stop sign  
Living so it feels right  
I don't wanna slow slow slow slow down down  
Don't wanna slow it down

Slow down  
Slow down

But I give impatience a try  
Got a little enveloped in time  
'Cause I watch you come and watch you go  
And it don't seem right  
Living for speed limit signs  
Ignore and cross every line  
Gotta let emotion take you over 20 miles at a time

But follow the freeway  
Break the routine  
'Cause everything is second to your dreams  
This is the green light  
Take what you need  
And break out of this hospital scene  
I'm running through a stop sign  
Cuttin' out the brake lights  
I don't wanna slow, slow, slow, slow down, down  
I'm running through a stop sign  
Living so it feels right  
I don't wanna slow slow slow slow down down  
Don't wanna slow it down

I'm running through a stop sign  
Got the world on my side  
no break lights feeling more than alive  
But it's so bright city shine on, shine on tonight, tonight  
I'm running through a stop sign  
Got the world on my side  
no break lights feeling more than alive  
But it's so bright city shine on, shine on tonight, tonight, tonight

Follow the freeway  
Break the routine  
'Cause everything is second to your dreams  
This is the green light  
Take what you need  
And break out of this hospital scene  
I'm running through a stop sign  
Cuttin' out the brake lights  
I don't wanna slow slow slow slow down down  
I'm running through a stop sign  
Living so it feels right  
I don't want to slow slow slow slow down down  
Don't wanna slow it down  
I'm running through a stop sign  
Cuttin' out the brake lights  
I don't wanna slow slow slow slow down down  
I'm running through a stop sign  
Living so it feels right  
I don't wanna slow slow slow slow down down  
Don't wanna slow it down

slow down  
slow down
