

## Drink the Way I Do

The Real McKenzies

you make me feel like my first hangover  
you're touchin' me like the very worst time  
an' i feel nothin' for tomorrows pain  
and i've learned my lesson....again  
i do the unoccasional dumb thing  
i try to keep them many  
and not so far between  
and all the whisky makes me crazy  
when i've got nothin' better:to do  
it's my confession  
hey, it's my profession  
well i profess, to all the rest  
that i drink the way i...do
