## The Night the Lights Went Out in Scotland

## **The Real McKenzies**

we're lookin' back to see the eighteenth century talkin' bout the shit that went down after the fall of culloden that's when prince charlie ran away the dragons came, they hacked and slaved yeah they burned 'em out well i'm not laying the blame on anybody alive today but the crimes and lies in history shout about the night the lights went out after endless heinous deeds no one was safe not a man or a laddie not a woman or a lassie with blooded cold steel hands they began to clear the highlands of their nobel clans well i'm not laying the blame on anybody alive today but the crimes and lies in history shout about the night the lights went out the night the lights went out in Scotland the night the lights went out yeah the night the lights the night the lights x2 went out. well i'm not laying the blame on anybody alive today but the crimes and lies in history shout about the night the lights went out the night the lights went out in Scotland the night the lights went out yeah the night the lights the night the lights x2 went out.
