The Red Chord

You have the brain,
But lack of vision
You aren't blind but you just can't see.
Do you want to see the world.
You think your gonna change the universe.
All aboard the bipolarcoaster.
We are here to learn.
We are here to share.
To believe in something.
It must be nice.
Listen when I ask you.
Your lives depends on it.
That is what brought us all together.
Why els would we be here today.
Are you plugged in.
