## **Atrophy**

## The Red Jumpsuit Apparatus

Don't tell me that this is your last chance to change 'cause if you do, then you would be telling a lie but

I warned you what could happen if you should decide to live your life from the 9 to 5 and I mourn you for the detail that is left unsaid is a reminder of the time you bled

Return to days when you knew you still felt alive Reveal the way you felt when you could look inside

They've sold you everything you need to fix you up and you feel good now but you can't wake up they found a way to reassure you that everything would be okay reach out today now I emplore you to remember who you are

Return to days when you knew you still felt alive Reveal the way you felt when you could look inside

So you felt it, but you don't know, why you can't explain at all why you felt it, 'cause you don't know, no you don't know

Break the walls between building atrophy causing all your problems to recede break the walls between (break the walls between) causing all your pain (causing all your pain) you'll never learn

Return to days when you knew you still felt alive Reveal the way you felt when you could look inside

(Break the walls between building atrophy)
Take back
The beat in your heart
Why fight
When you can't be bought?

(Causing all your problems to recede)
Take back
The beat in your heart
Why fight
When you can't be bought?

(Break the walls between)
Take back
The beat in your heart
Why fight
When you can't be bought?

(Causing all your pain)

Take back
The beat in your heart
Why fight
When you can't be bought?
