The Red Jumpsuit Apparatus

When I feel beated down and I get burned out,
I flip another card and things finally start to look up.
Some hearts need to fail, some ships were built to sail without
you,
whoa

Don't look back although you might be sorry,
The test is out to finish your story,
Do your best to give pride with sense of reason,
and realize that change comes with the season.
Don't look back!

It's not about the race, It's more about the pace,
Sometimes you walk away, but sometimes you have to stand up
for what you believe, and I can guarantee, you'll finally feel
free

Don't look back although you might be sorry,
The test is out to finish your story,
Do your best to give pride with sense of reason,
and realize that change comes with the season.
Don't look back!

So when you feel like giving up, no one cares about your love,
remember up above, someone's telling you try to see
without only using your eyes

Don't look back although you might be sorry,
The test is out to finish your story,
Do your best to give pride with sense of reason,
and realize that change comes with the season.
