

You know that you are the center of my attention  
And you leave me no choice  
Tripping on to the floor looking at my reflection  
As I follow the chord to your voice  
As it rings on through, your voice clearly receptive  
Like the day we met I knew

Don't hang up on me, 'cause I'm hung up on you  
Don't tell me how to feel like you always do  
I know you're right, I don't want to fight  
Is this how our story ends or a new chapter begins?

As the days roll by can't help myself  
Just sit and wonder why, was it something I said  
Something I did my girl?

Your wilted roses make me cry, a sentimental sign of rejection  
As I follow the chord to your voice  
As it rings on through, your voice clearly receptive  
Like the day we met I knew

Don't hang up on me, 'cause I'm hung up on you  
Don't tell me how to feel like you always do  
I know you're right, I don't want to fight  
Is this how our story ends or a new chapter begins, begins?

Don't hang up on me, 'cause I'm hung up on you  
Don't tell me how to feel like you always do  
I know you're right I don't want to fight  
Is this how our story ends or a new chapter begins?

Don't hang up on me, 'cause I'm hung up on you  
Don't tell me how to feel like you always do  
I know you're right, I don't want to fight  
Is this how our story ends or a new chapter begins?
