### The Red Jumpsuit Apparatus

I need this  
Is it a good time for you  
And if it's not just know  
I may not be here when you need me

Sometimes I feel like I would die without you  
And if it's too early don't worry when I say I'm sorry now  
Hang on to this moment  
It will be all over soon

'Cause I know you'll wait for me  
You'll wait for me 'til I get home  
Yes, I know you'll wait for me  
You'll wait for me 'til I get home

Is this what life is supposed to be about?  
Sometimes it's hard, but I will help you understand it somehow  
The only thing that I want from you is trust  
Together we will make it through this world  
We must

Hang on to this moment  
It will be all over soon

'Cause I know you'll wait for me  
You'll wait for me 'til I get home  
Yes, I know you'll wait for me  
You'll wait for me 'til I get home

But if I should fall  
Then you should move on  
All eyes watch out for you from up above  
Now don't take this wrong  
But you should move on  
All eyes watch over you from up above

This could be the last time that I speak with you  
Just in case let's make the best of what we have until it's through

'Cause I know you'll wait for me  
You'll wait for me 'til I get home  
Yes, I know you'll wait for me  
You'll wait for me 'til I get home  
I get home
