It's Alright

The Redwalls

Well you don't want to go to school It's alright Oh you're so tired of playing the rules It's alright Well I see you coming around here about midnight Telling me that everything's alright Well I'm born (and you're born) And I die (and you die) And I live (and you live) To get high, oh my It's alright It's alright He's a man in an awful way He'll help you everyday I see the man in an awful way I'll take you back where you wanna stay Неу It's alright It's alright Well you don't want to go to school It's alright Oh you're so tired of playing the rules It's alright Well I've been stuck here on my floor I cannot move no more Well I'm born (and you're born) And I die (and you die) And I live (and you live) To get high It's alright It's alright He's a man in an awful way He'll help you everyday I see the man in an awful way I'll take you back where you want to stay It's alright It's alright
