Sin Nombre

The Refreshments

Road hard, and I put up wet, I ain't down but I can't get up ye t

It's a long ride back to the way I want to feel Sun down across the plain, I've bee sore before I'll be sore ag ain

No place to hide to keep from runnin'

Laid down in the cotton wood hollow, I left a trail no man coul d follow

Is it safe to rest my head again till morning Cracked throat and my canteen's dry and Rain don't fall from an empty sky So I'll whisper Hail Marys till the sun comes up

Now don't tell me that part of the story when the cowboy falls in love

When he traded in his pistol and his saddle and the stars above When the candle's burnin' down, when midnight comes around You know the best that we can hope for Is to be laughin' when we finally hit the ground

Road hard, come down tired, strip from the saddle when the rifl e fired

Deep in dreams of women and clean water Well I did before what I'll do again So forgive me father if I have sinned But the old wood cracks before it bends

Now don't tell me that part of the story when the cowboy falls in love

When he traded in his pistol and his saddle and the stars above When the candle's burnin' down, when midnight comes around You know the best that we can hope for Is to be laughin' when we finally hit the ground

Now don't tell me that part of the story when the cowboy falls in love

When he traded in his pistol and his saddle and the stars above When the candle's burnin' down, when midnight comes around You know the best that we can hope for Is to be laughin' when we finally hit

Yeah the candle's burnin' down, now midnight comes around You know the best that we can hope for Is to be laughin' when we finally hit the ground, yea The candle's burnin' down, and when midnight comes around
