

Cartwheels

The Reindeer Section

I'm doing cartwheels (3x)

My wounds are nicely salted dear
I never got to thank you right
I was finished way before I could see
Quite what you had in mind for me

I'm doing cartwheels (3x)

Now the pessimism in the yards
As I'm pissing on their perfect front lawns
A voice calls out behind my back
And I take off into the grass

I'm doing cartwheels (3x)

It'll all tie me up into knots
It'll all tie me up into knots

I didn't mean to speak out of turn
Now you can sit and watch me squirm
The party's really in full swing
I wish I had a friend I could bring

I'm doing cartwheels (3x)

You're really loving this aren't you dear
Now you've got me on the ropes out here
With nowhere else to run to now
Just stay and face the music

Oh all tie me up into knots
It'll all tie me up into knots
It'll all tie me up into knots
It'll all tie me up into knots
