

# Chase The Clouds Away

The Rembrandts

You never know what the day will bring  
Another song for you to sing  
You never know what the day will bring

You never know when the sky will fall  
But do we really know at all?  
You never know when the sky will fall

Baby, I was frightened by the storm, but not today  
Now if the rain should fall, it won't worry me at all  
'Cause our love will chase the clouds away

Takin' time to work it out  
To see what's goin' on about  
Takin' time to work it out

'Cause I can't move the other way  
There's too much gettin' in my way  
No I can't move the other way

Oh baby, I was frightened by the storm, but not today  
Now if the rain should fall, it won't worry me at all  
'Cause our love will chase the clouds away

Baby, I was frightened by the storm, but not today  
Now if the rain should fall, it won't worry me at all  
'Cause our love will chase the clouds away

Oh baby, I was frightened by the storm, but not today  
Now if the rain should fall, it won't worry me at all  
'Cause our love will chase the clouds away

Oh yeah, know I'll be there for you  
Oh yeah, you know I'll be there for you  
To chase the clouds away
