

## Sweet Virginia

The Rembrandts

Now is time, the time is now for you to see  
In my life is where I long for you to be  
I need a love that has no ending  
Virginia on that I'm depending

Don't let me go, sweet Virginia  
Darlin' let me in ya, in your heart  
Don't let me go, sweet Virginia  
Darlin' let me in ya, in your heart, sweet Virginia

Life is high, life is low and this I know  
You can't hide behind the clouds, so let it show  
Take me back to the beginning  
To where the sun is always shining

Don't let me go, sweet Virginia  
Darlin' let me in ya, in your heart  
Don't let me go, sweet Virginia  
Darlin' let me in ya, in your heart  
Sweet Virginia, I need a love that has no ending  
Virginia on you, I'm depending

Don't let me go, sweet Virginia  
Darlin' let me in ya, in your heart  
Don't let me go, sweet Virginia  
Darlin' let me in ya, in your heart  
Sweet Virginia, sweet Virginia, sweet Virginia
