

# What Will It Take

The Rembrandts

These days, flyin' off an empty page  
Lonely-Forever something in our way  
But deep in my soul, your light, is all that I'm prayin' for  
Salvation is in your eyes, but not for me

WHAT WILL IT TAKE TO MAKE YOU WANT ME?  
WHAT WILL IT TAKE TO MAKE YOU MINE?  
WHAT WILL IT TAKE TO MAKE YOU LOVE ME, FOR ALL TIME?

It's funny, how nothing ever stays the same  
Helpless-Never knowin' who's to blame  
There once was a time when my love,  
was somethin' worth fightin' for  
And now it's all I can do to remind you,  
of what could be

Baby I'd cross the darkest valley  
I would ford the river wide  
If that's what it takes, to make you love me,  
for all time  
But I've been chasin' you too long...  
to think you'd rather I were gone  
But I will wait for you forever-Yes I will  
You know it's true  
I'll wait until you come around  
But deep in my soul, your light,  
is all that I'm prayin' for  
Salvation is in your eyes,  
but not for me

Baby I'd cross the darkest valley  
I would ford the river wide  
If that's what it takes, to make you love me,  
for all time  
What will it take?...What will it take?..What will it take?  
Baby I'd cross the darkest valley  
I would ford the river wide  
If that's what it takes,  
to make you love me, for all time  
What will it take?
