

# Hello, Hello

## The Rentals

Hello, hello, hello, hello  
You know it's good to see you here again  
To be back with my friends  
Where the work's not hard  
And the century is closing down  
I'm not sure what we've got  
We really don't need a lot  
Hello, hello

I made a lot of mistakes  
That bear a heavy, heavy weight that I'm ashamed of  
And I need to get through to something new  
Where I'm not alone  
Where everybody knows you, everybody loves you  
Everybody says this is your home

Hello, hello, hello, hello  
You know it's good to see you here again  
To be back with my friends  
Where the work's not hard  
And the century is closing down  
I'm not sure what we've got  
We really don't need a lot  
Hello, hello

Keep coming back to forget  
To forget about the things I've done  
It's the one place nobody cares  
I know where I can go  
Where everybody knows you, everybody loves you  
Everybody says this is your home

Hello, hello, hello, hello  
You know it's good to see you here again  
To be back with my friends  
Where the work's not hard  
And the century is closing down  
I'm not sure what we've got  
We really don't need a lot  
Hello, hello

Trying to shake all responsibility  
Repeating that it don't mean much to me  
Staying out of my head all day  
Don't want to go back  
And don't want to have to face it all  
All those disappointments that I've made  
Hello

Don't let me go, hello, hello, hello  
You know it's good to see you here again  
To be back with my friends  
Don't let me go, hello, hello, hello  
You know I wanna stay here with my friends  
Stay here 'til the end, don't let me go

Don't let me go, hello, hello

Don't let me go, hello

The century is closing down, the century is closing down

The century is closing down, the century is closing down

Hello
