

Move On

The Rentals

Let's get up and leave this town
I just want to go right now
Once we get out of here
No one will notice
That we disappeared
So what do you say we go right now
Get away from everyone
That hangs around
They seem so insincere
So why don't we just
Leave them here
And move on
Moooooove on
Move on
Moooooove on
We'll find some new place nice
Some other city
Or the country side
We'll make new friends in time
We'll pack up and say good-bye
And move on
Moooooove on
Move on
Moooooove on
Move on
It's been six long years
Six years of hanging about
Without a care
It don't matter where we go
Anywhere is better,
I know
So-o mo-move on
Moooooove on
Move on
Moooooove on
Move on
Moooooove on
Move on
Mooooo-oove on
Come on let's get away
So far away
Come on let's runaway, runaway
Runaway today!
And move o-on
Moooooove on
Move on
Moooooove on
Move on
Moooooove o-o-on
Move move on
Move move on
Move move on
