

My Summer Girl

The Rentals

My summer girl
She was my world
He's got her now
Charmed her somehow
I know I'm not your type
I know I'm not your type
I know I'm not your type
I'll never be your type
All summer long
Feelings grew strong
All through that time
I was not lying
I know I'm not your type
I know I'm not your type
I know I'm not your type
I'll never be your type
My summer girl
My summer girl
My summer girl
My summer girl
I know I'm not your type
I know I'm not your type
I know I'm not your type
I'll never be your type
I'll never be your type
I'll never be your type
I'll never be your type
I'll never be your type
