

# Say Goodbye Forever

The Rentals

Say goodbye forever

Come here and pick me up  
Let's go to dinner  
I know you don't know me at all and  
You don't do things like this ever

It's so nice in your car  
The music sings sweetly  
Walk across the bridge to the beach  
Yeah, kiss you while it's raining

Say goodbye  
Say goodbye forever  
I'm in such a lonely place  
And I could be forever

Your place is so much different than mine  
It's so calm and peaceful  
I could lay in your living room  
As long as possible

In the back of the taxi I feel  
Loss of home and country  
Back down to the storage space, yeah  
L.A. can be so lonely

Say goodbye  
Say goodbye forever  
I'm in such a lonely place  
And I could be forever

I know this is the only day we'll spend together  
And I know, I know, I know, after this it's over forever

Say goodbye  
So say goodbye forever  
You've put me in a lonely place  
Where I could be forever

So say goodbye  
Say goodbye forever  
You've put me in a lonely place  
Where I could be forever
