Hut..yeah...c'mon

C'mon little kiddie, get your head on right C'mon little kiddie, get your head on straight You're gonna get her down You're gonna finger to her You're gonna suck me down You're gonna see her out...

Forget about the lights, girl, and the cars You never heard somebody so far Grab a hold, gonna hold You're gonna stick it to her You're gonna stick it to her

Gary got a boner Cause Gary's got a boner Gary's got a boner Gary's got a boner now

You locked that door, rolled up that window Tied your sister up by the fender I don't know if I will You're gonna stick it to her Yes, you're gonna stick it to her

Gary got a boner
Gary's got a boner
Gary's got a soft-on
Enough for more, more, more, more
Let it go
