

Hayday

The Replacements

(Hit it ... Bob!)

Sittin' at home, I'm so excited
Goin' to the party though we weren't invited

Times ain't tough, just tedious
Get up - heyday
Heyday
Don't hate it
Mamamama heyday

Geniuses act like idiots
Idiots act like geniuses

Heyday
My heyday
Heyday
Mamamama heyday

It ain't gonna last
Ain't yo
It ain't gonna last

It's my heyday
My little heyday
It's your heyday
Babadaba heyday

My heyday
Your heyday
My heyday
Mamamama heyday

It's your heyday
It's your heyday
