

## I Bought a Headache

### The Replacements

And all I needed was just a breath of fresh air  
I want a, I want a folding chair

St. Paul Civic Center  
Giving me a 8 dollar and 50 cent  
I bought a headache  
I bought a headache  
Headache

Smoking marijuana and it's comin' out of my ears  
A long haired girl shakin' way past her years  
So come on, c'mon  
So come on, c'mon

All right, thank you, everybody feel all right? Everybody happy  
?
