

# Kids Don't Follow

## The Replacements

Go home.....this is the Minneapolis police....the party's over....if you all just grab your stuff & leave there won't be any hassle..the party's been closed....etc.

1, 2, 3, 4

Kids won't listen  
To what you're sayin  
Kids ain't wondering  
Kids ain't praying  
Mo says he's worried  
He says talk away  
He says yeah I've been cured

I need some attention  
No house of detention  
I'd love some attention  
Don't start again

Kids don't need that  
Kids don't want that  
Kids don't need nothing of the kind  
Kids don't follow

What you're doin  
In my face out my ear  
Kids won't follow  
What you're sayin  
We can't hear

Can't stop looting  
Can't stop smoking  
Kids ain't wondering  
Can't stop choking  
Kids won't stand still  
Kids won't shut up  
Kids won't do it  
You talk to 'em now

Kids don't follow  
What you're doin  
In my face and out my ear  
Kids won't follow  
What you're saying  
We can't hear

Kids won't follow  
What you're saying  
In my face out my ear  
Kids don't follow  
What you're sayin  
We can't hear  
What you say  
Not tomorrow  
Not today
