

Somethin' to Dü

The Replacements

Delivering noise
Real tough boys
What else have I got?
Half-priced drugs
Stolen guitars
What else is new?
It's somethin' to du
It's somethin' to du
Well it ain't nothin' new

Stand around and sweat
Girls? You bet!
Sure beats working too
Half-priced drugs
Broken guitars
Blah blah blah
Somethin' to du
Somethin' to du
It ain't nothin' new
It's somethin' to ... du

Somethin' to du
Somethin' to du
Nothin' to
It's somethin'

Delivering noise
Real tough boys
And what else have I got?
Half-priced drugs
Stolen guitars
When the weather's hot
It's somethin' to du
It's somethin' to du
Said somethin' to du
Somethin to Husker
