

Willpower changed my mind
Willpower changed my mind

Stop it
Stop it
Stop it

Stop it
Stop it
Stop it
Just in time

Willpower changed your mind (my life)
Minutes seems like hours
Take yours don't take mine

Stop it
Stop it
Stop it
Here it comes

Stop it
Stop it
Stop it
Drink and drive

Willpower changed my mind
Willpower

Stop it
Stop it
Stop it
Here it comes

Stop it
Stop it
Stop it
Drink and drive

I don't wanna stop it
