

You Lose

The Replacements

{Are we gonna record this one?
I, see well actually}

Yea, you lose
You lose
Yea, you lose
You lose

It's a game show or a video
It's all the same don't you know
Spend your money doin' that
You'll lose your mind, you won't get it back

Yea, you lose
You lose
Yea, you lose
You lose

Hypnotize them V H O
Even still your mind's on hold
Reaction distraction
Win or loss and I don't even know, how much I cost?

Yea, you lose
You lose
Yea, you lose
You lose

Winners, losers all the same
Make your bet that's my degeneration, oh no
Winners, losers Kodachrome
Vacuum is not the way
The way you lose

Yea, you lose
You lose
Yea, you lose
You lose
Sucker
Yea, you lose
