

Breaking my Balls

The Restarts

Boots kick break down doors
Busted but what for
Thrown out treat me like dirt
Scumbag shady cohort
Ring burns wrench my guts
Bloodstains everything sucks
Breakdown nothing here works
My life is fucking cursed

They keep breaking my balls

Went out got blind drunk
Woke up beaten to a pulp
Not down no guestlist
No gigs no business
Lost out double or quits
Wiped out cut me to bits
Painful swollen and sore
I can't take it no more

They keep breaking my balls
