

The facts there to see have a fuckin family  
Fuck yourselves into slavery  
Into financial stress problems of this fucked up mess  
Social life zero wits at test

You choose to breed Humanity -  
All I see is fuckin Insanity  
Ignore the shortfalls of society

I'm not telling you what to do,  
What I do say is think it through  
Pro-create or not up to you  
Your rewards are in doubt worry til your time is out  
For me not what life is about  
You choose to breed Humanity  
All I see is fuckin Insanity  
Ignore the shortfalls of society  
You choose to breed Humanity  
All I see is fuckin Insanity  
Perpetuation of the shit
