

Natural Selection or intelligent Design
Argument's lost its a compromise
Creationist theory dressed in a lab coat
Turning our classrooms into a joke

We don't want it-we don't need it
The unquestionable truth
Imposed upon our youth
See you across the protest line
Do the monkey dance

Immaculate conception and Adam and Eve
These are fables to large to believe
The evidence is plain to see
On display as natural history

Children aren't born into religion
Its imposing creed without question
Being denied the freedom of choice
Unquestionable truth to silence our voice
