

Jihad

The Restarts

New fuckers run this town got the Koran wrong way round
Their rise don't blame me logic defy middle east nazi
Your rights low on list torture abuse still exist
Circumcise female enemy stoned to death for infidelity.

Your profanity versus tyranny
Denied to exist
Jihad death war fuck holy law fundamentalist

Religious doctrine hate incorporate with the state
Their laws forced on all though by men with brains so small
Protest they detest cut throat justice seen at best
Blaspheme your dead meat shoot you in the fuckin street.
