## **Jihad**

## The Restarts

New fuckers run this town got the Koran wrong way round Their rise don't blame me logic defy middle east nazi Your rights low on list torture abuse still exist Circumcise female enemy stoned to death for infidelity.

Your profanity versus tyranny Denied to exist Jihad death war fuck holy law fundamentalist

Religious doctrine hate incorporate with the state Their laws forced on all though by men with brains so small Protest they detest cut throat justice seen at best Blaspheme your dead meat shoot you in the fuckin street.
