

No Escape

The Restarts

Global temperatures are rising
Storms and floodings terrorizing
Our climate's changing day by day
Ignorant economic policies
Filthy corporate industries
Profit over people is what they say

HOW MANY MORE DISASTROUS WARNINGS
THERE'S NO ESCAPE FROM GLOBAL WARMING

Bush and Exxon's dirty connection
United States Kyoto rejection
While they're the worst polluter in history
This society's oil addiction
Carbon dioxide emissions
Won't get us through this century

There's no escape
There's no denial
