

They're On To You

The Restarts

Our human rights and liberties
Are violated in discrete
In the name of state security
The government's inflicting fear
All common sense has disappeared
forcing through the anti-terror bill

THEY'RE ON TO YOU - OBSERVATION, INFILTRATION
THEY'RE ON TO YOU - BIOMETRIC REGISTRATION

Their anti-protest policies
ID-cards compulsory
Police state or free democracy?
Shoot-to-kill with no regrets
Executed by the pigs
7 shiny bullets in the head

their regulations
and legislations
designed to oppress and control
fear exploitation
a frightened nation
just how far will this system go
