

2000 A.D.

The Rezillos

I wanted to see
If 2000 A.D.
Was ever in place
For someone like me
I look at the future
For a paperback culture
I think there was more
In 1964

Oh no, Oh no, Oh no
Oh no, Oh no, Oh no

It's easy to see
That 2000 A.D.
Will never appear
A reality
It's a slap in the face
For the human race
Just to survive
To be eaten alive

Oh no etc.

2000 A.D. (2000 A.D.)
I'm happy to be (I'm happy to be)
Where everything's new (Where everything's new)
And nothing is free (And nothing is free)
I live in the future
With the paperback culture
I came through the door
From 1964

Oh no etc.
