

Cryin' Blues

The Righteous Brothers

I woke up this morning
Tears, tears all in my eyes
Hey, hey
Yes, I woke up this morning, girl
Tears filled my eyes
It's such a lovely day
No one, no one knows how much I cry

I walked on by
Couldn't find a place to stay
Woah, I walked on by
Happy guitar
I couldn't find a place to rest my head
You heard what I said
But if I come back, baby
I believe that lots of things
Lots of things are gonna be done exactly the way you want 'em
Here comes Willy with a little sing along song

Cry, cry, cry
I keep on crying
I wanna know, I wanna know how much
How much can a poor boy cry
Woah, I keep on crying
Lord, I wanna know how much can a poor man
Won't you tell me right now?
Hey, hey, don't laugh at me, woman
'Cause I'm a natural born lover man
And that has made me a very busy man
Hey, hey
I have things to do

Cry, cry, cry
Oh, crying
Cry, cry, cry
I keep on crying
Cry, cry, cry
Woah, baby
Cry, cry, cry
I keep on crying
And cry, cry, cry
And, baby
Cry, cry, cry
Woah, woah, baby
Oh, cry, cry, cry
