

# Dream On

The Righteous Brothers

Lay your head down on my shoulder  
I won't let the night get colder  
I'll protect you  
I'll be keepin' trouble far from where your sleepin'  
Until you wake in the mornin'  
You've got the world to yourself.

Dream on  
Dream about the world we're gonna live in one fine day.  
Dream on  
Spend the night in heaven, I'll be here to light your way.  
Someday tomorrow will smile  
But little girl in the meanwhile  
Dream on

You're a princess. Chains around you  
I'm a hero who just found you  
'Til a brand new day must wake you  
Let imagination take you  
Go where the music is playin'  
I'll be along in a while

Baby, baby  
Dream on  
Dream about the world we're gonna live in one fine day  
Dream on  
Spend the night in heaven, I'll be here to light your way.  
Dream on
