

Gotta Tell You How I Feel

The Righteous Brothers

Woah, people

Sometimes I get a feeling down in my soul
When I get that feeling and here it goes
Yeah, I gotta say to you
I gotta say it 'cause I feel
Sometimes it's good (Sometimes it's good)
Sometimes it's bad (Sometimes it's bad)
Sometimes I'm blue (Sometimes I'm blue)
Sometimes I'm glad (Sometimes I'm glad)
But no matter how I feel, I gotta tell you how I feel

(You got to talk)
Talk to somebody when you're feeling blue
(You got to talk)
Talk to somebody when your dreams fall down on you
I've got to sing to you people when I feel my soul, yeah
And listen to the people, gonna tell you how I feel
I don't feel very good (Not lying to you people)
I don't feel very good (Not lying to you people)
Yeah, I'm not lying (Not lying to you people)
Woah, I'm not lying (Not lying to you people)
I'm, I'm not lying (Not lying)
I'm not lying (Not lying)
I'm not lying (Not lying)
Okay, you're gonna feel a little better (Gonna feel a little better)
Gonna feel a little better (Gonna feel a little better)
Gonna feel a little better (Gonna feel a little better)
Woah, don't feel that bad now (Gonna feel a little better)
I've got coming to my people (To my people)
I keep thinking [?], yeah (Feeling any better)
Woah, I feel alright (Better stop that talk)
Woah, I feel (Better stop that talk)
I feel alright (Better stop that talk)
And I'm gonna talk that talk, yeah (Better stop that talk)
Yeah, I gotta keep on talking (Better stop that talk)
I'm gonna talk that too, yeah (Better stop that talk)
Woah
