## **The Righteous Brothers**

He can turn the tides and calm the angry sea He alone decides who writes a symphony He lights every star that makes the darkness bright He keeps watch all through each long and lonely night

He still finds the time to hear a child's first prayer Saint or sinner calls and always finds him there Though it makes him sad to see the way we live He'll always say "I forgive"

He can touch a tree and turn the leaves to gold He knows every lie that you and I have told Though it makes him sad to see the way we live He'll always say "I forgive"
