

# (I Love You) For Sentimental Reasons

The Righteous Brothers

All of these nights that we've been a datin'  
All of these nights that we been a waitin'  
Something tells me the time is getting right

Each time we kiss it takes a little bit longer  
My love for you grows a little bit stronger  
And I feel like I'm sittin' on dynamite

Oh-woh this could be the night  
The night I've waited for  
This could be the night  
I'm gonna give her all my love and more

When it comes to loving she's a natural master  
And each time she's near then my heart beats faster  
Deep down inside I think that this is gettin' hot

I'm gonna pick her up about a quarter to seven  
I know we're gonna take a trip to heaven  
And if it's what she wants then I'm gonna give it a shot
