

# I Need A Girl

The Righteous Brothers

I need a girl (Ooh)  
A girl to love  
Please send a girl (Ooh)  
From the heaven's up above  
I want to love  
I want to call to someone  
Oh, I'm closely (Ooh)  
There must be a girl (Ooh)  
In this world for me  
If she is far away (Ooh)  
I'll swim every sea  
Just to kiss her  
Hold her and love her  
And whistle tenderly  
Whistle, so tenderly

(Love is too strong for any man to harm)  
That's why I, I need a girl now  
That's to stand by my side  
(Love comes to those who have love to give)  
I'll give my love for as long as I live

Just send a girl (Ooh)  
I'll marry someday  
Wish she can hear me (Ooh)  
Tell her what I said  
I want to love  
I, I, I, that's that  
I want, I want, I want to be loved (Ooh)  
Yeah, come one, come on  
Why don't you come on and send me some phat female now  
Yeah, I wanna everybody to know  
Gonna rise up and be somebody now  
Ooh
