

Koko Joe

The Righteous Brothers

There's a monkey in the jungle named Koko Joe
The coolest monkey that you ever did know
You'd oughta see him dance, it's a party scene
Change ya bouce, do the monkey swing

Yeah, Koko Joe
Let me tell you 'bout Koko Joe
Oh, oh, oh
Koko Joe
The cutest little monkey in town

Koko, that monkey, he's no square ape
He wears ivy leaguers with a crazy drape
No left heel like the other monkies do
Trimmed down suede and he got it blue

Yeah, Koko Joe
Let me tell you 'bout Koko Joe
Oh, oh, oh
Koko Joe
The cutest little monkey in town

Yeah, Koko, that monkey, really flips her chin
the really clicks, yeah
Likes to talk about love like the other monkies do
He said, "Listen here, people, now or later for you"
