

Let The Good Times Roll

The Righteous Brothers

C'mon baby, let the good times roll
C'mon baby, let me thrill your soul
C'mon baby, let the good times roll
Roll, yeah, all night long

C'mon baby, just close that door
C'mon baby, let's rock it some more
C'mon baby, let the good times roll
Roll all night long

Feel so good
Now that you're home, yeah
C'mon baby, rock me, woah
All night long

C'mon baby, let the good times roll
C'mon baby, let me thrill your soul
C'mon baby, let the good times roll
Roll all night long

Yeah, yeah, yeah, woah, yeah
Do you feel real good?
If you feel alright come along with us, yeah
We're gonna win all night, better get your soul
We're gonna let the good times roll

A come, come, come, c'mon
And let the good times roll
A come, come, come, c'mon
And let the good times roll
A come, come, come, c'mon, c'mon
And let the good times roll

Yeah, let it roll
Let it roll, let it roll
Let it roll, let it roll
Let it roll, let it roll
Let it roll
C'mon, c'mon, c'mon, c'mon

Let it roll, let it roll
Let it roll, let it roll
Let it roll, let it roll
Let it roll, let it roll
Let it roll, let it roll
C'mon, c'mon, c'mon, c'mon
It's alright [?]
